A disputed claim is a claim that has not been allowed or disallowed and as to which either: (i) a proof of claim has been filed or deemed filed and the Debtor or another party in interest has filed an objection; or (ii) no proof of claim has been filed and the Debtor has scheduled such claim as disputed, contingent, unliquidated or unknown.

B. Delayed Distribution on Disputed Claims. No distribution will be made on account of that portion of a claim that is disputed unless it is allowed by final nonappealable order.

C. Settlement of Disputed Claims. The Debtor will have the power and authority to settle and compromise a disputed claim with court approval and compliance with FRBP 9019 unless the amount allowed by the compromise does not exceed \$ 100.00, in which case no court approval is necessary.

Article IV
Executory Contracts and Unexpired Leases

A. Executory Contracts and Leases Assumed. The Debtor assumes the executory contracts and unexpired leases enumerated in Exhibit E to the Disclosure Statement, effective upon the Effective Date, and shall perform all obligations thereunder, both preconfirmation and postconfirmation. Any preconfirmation arrearages shall be paid by the Effective Date, unless the parties agree otherwise or the court finds that a proposed payment schedule provides timely cure and adequate assurance of future performance. Postconfirmation obligations will be paid as they come due.

B. Executory Contracts and Leases Rejected. The Debtor is conclusively deemed to have rejected all executory contracts and/or unexpired leases not previously assumed or listed in Exhibit E to the Disclosure Statement as of the Effective Date. A proof of claim arising from the rejection of an executory contract or unexpired lease under this section must be filed no later than 30 days after the date of the order confirming this Plan. Claims arising from the rejection of an executory contract or unexpired lease under this section are general unsecured claims in Class 6, except to the extent this court orders otherwise.

- d. ☐ other sources of funding, as follows:

Please see Part 3 of the Disclosure Statement for further details of these projections.

Article VI Discharge and Other Effects of Confirmation

A. Discharge. Upon completion of all payments under the Plan, the Debtor shall receive a discharge of all preconfirmation debts, whether or not the creditor files a proof of claim, or accepts the Plan, unless the court orders otherwise. Such discharge will not discharge Debtor from any debts that are nondischargeable under § 523 or the obligations created by this Plan.

B. Vesting of Property. On the Effective Date, all property of the estate will vest in the reorganized debtor pursuant to § 1141(b), free and clear of all claims and interests except as provided in the Plan.

C. Plan Creates New Obligations. Except as otherwise stated in the Plan, the payments promised in the Plan constitute new contractual obligations that replace those obligations to creditors that existed prior to the Effective Date.

D. Creditor Action Restrained. Creditors may not take any action to enforce either preconfirmation obligations or obligations due under the Plan, so long as the Debtor is not in material default under the Plan. If the Debtor is in material default under the Plan, affected creditors may: (i) take any action permitted under nonbankruptcy law to enforce the terms of the Plan; or (ii) move to dismiss this case or to convert this case to a chapter 7 bankruptcy case.

E. Material Default Defined. If Debtor fails to make any payment required under the Plan, or to perform any other obligation required under the Plan for more than 14 days after the time specified in the Plan, the affected creditor may serve upon Debtor and Debtor's attorney (if any) a written notice of default. The Debtor is in material default under the Plan if the Debtor fails within 21 days of the service of such notice of default, plus 3 additional days if served by mail, either: (i) to cure the default or (ii) to obtain from the court an extension of time to cure the default or a determination that no default occurred.

F. Retention of Jurisdiction. This court retains jurisdiction until all Plan payments have been made.

⁵ This number should match the number of years selected for payments made to creditors under the plan and the number of years of projected disposable income calculated in Part 3.C. of the Disclosure Statement.
